

**ENERGY STAR[®] COMPLIANT PRODUCT INFORMATION:
MULTIFUNCTION DEVICE**

Revised January, 1999

FORM FOR USE ONLY BY ENERGY STAR[®] MULTIFUNCTION DEVICE (MFD) PARTNER

(Company must have joined the program by signing an MOU and Amendment(s) in order to submit products.)

Each company should report on this form only those products that it sells under its own brand name. Those products should be marketed as a MFD as defined by the ENERGY STAR MFD guidelines. Do not use this form to submit printer/fax combination units (i.e., for those products, use the printer product reporting form). If you sell an MFD model to another company that uses its own brand name on that product, that company must join the ENERGY STAR MFD Program and report that product as its own. Please use one form for each qualifying product.
